

TEMPORARY ENTRANCE MAP

HealthPlex's Main Entrance to Temporarily Close

A - Temporarily Closed

B - Women's Entrance

C - Emergency Room Entrance

The Main Entrance at the Norman Regional HealthPlex will be closed for approximately one month (01-19-15 to 02-16-15) in order to install a new revolving door.

The entrance will close at 7 a.m. Monday, Jan. 19, 2015.

Check-In – While the entrance is closed we ask that patients please use the Emergency Room entrance located on the east side of the HealthPlex. This entrance is open 24/7. Patients will check in at the Registration Desk in the Emergency Room. Visitors should also use the Emergency Entrance.

We ask for your understanding during this project. While it will be temporarily inconvenient, once it is completed it will be a wonderful asset and needed change to the HealthPlex.

Please note that there will be an Emergency Exit available at all times in case of fire, evacuation, etc.
