

Norman Regional Health System  
is proud to welcome  
**Norman Regional Oncology**  
clinic to our system.

**Drs. Sherri Durica, MD, Kristin Thorp, MD and Namali Pierson, MD are providing clinic visits, infusion treatments and hematology. The Norman Regional Oncology clinic enhances the Health System's cancer care services of medical, surgical and radiation oncology.**

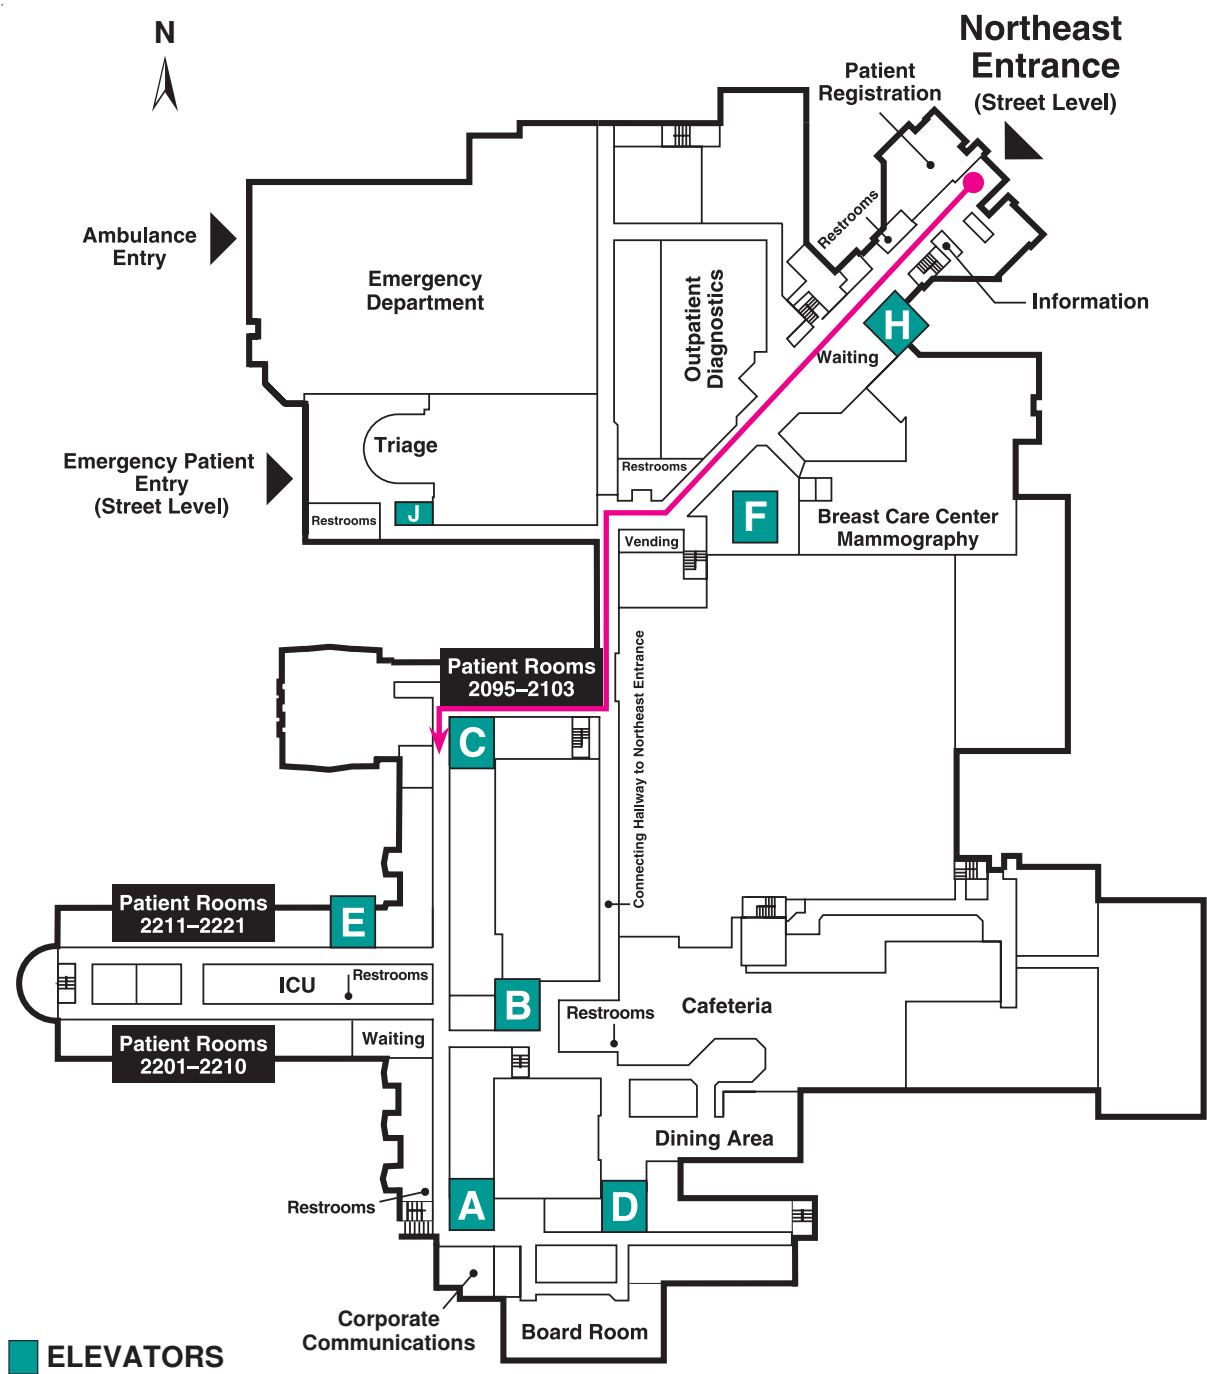

The clinic is located inside Norman Regional Hospital at 901 N. Porter Avenue. The easiest way to access Norman Regional Oncology is through the Northeast Entrance. For your convenience, this entrance has complimentary valet parking.

Norman Regional Oncology will temporarily be located on Floor 3 North at Norman Regional Hospital. The clinic's permanent home will be where the Norman Regional Breast Care Center is currently located, which is also located inside the hospital. Thank you for your patience as we prepare this space.

*See reverse for a detailed map*

**NORMAN  
REGIONAL**  
Health System

Norman Regional Oncology will temporarily be located on Floor 3 North at Norman Regional Hospital. The clinic's permanent home is being renovated. Thank you for your continued patience.
